

## MAXIMUM MANEUVERABILITY.

A ride-on sweeper boasting intuitive operation in a compact and agile package.

# Anrunto B60

## Compact, agile and intuitive.

The KM 85/50 R Bp is a battery-powered ride-on sweeper perfect for congested areas. Its compact design and high maneuverability make cleaning faster than ever in confined spaces, narrow corridors and around sharp corners. The KM 85/50 R Bp is extremely easy to operate and maintain, and boasts impressive area performance outdoors, making it a versatile and efficient entry-level choice for ride-on sweepers.

### 1 Clever container concept

- 2 tanks with handle grips and transport wheels for easy disposal
- Smooth edges around waste container prevents residue

### 2 Efficient filter system

- Polyester flat pleated filter
- Effective cleaning with dual scraper

### 3 Ergonomic design for enhanced performance and comfort

- Clear and simple operation of all components, no training required
- Easy, tool-free seat adjustment for operator comfort
- Adjustable rotation speed depending on type and amount of dirt, reducing dust turbulence
- Drives through door openings as narrow as 36" and maneuvers turns in aisles as narrow as 78"

### 4 Integrated home base system and storage areas

- Versatile and practical storage area for other cleaning utensils such as brushes and cloths

## Technical data and equipment.

TECHNICAL SPECIFICATIONS	
Maximum work productivity :	3200m <sup>2</sup> /h
Forward Speed :	0-6km/h
Cleaning Width :	960mm
Disk Brush Diameter :	700mm
Solution Tank :	65L
Recovery Tank :	70L
Battery Capacity :	24V/120Ah
Vacuum Motor :	500W
Dimensions :	1380*980*960mm
Operation Duration :	>4h
Net Weight/Gross Weight :	230/250kg
Brush Motor :	400W*2
Driving Motor :	300W
